

Good Idea

Fantastic! Must Have!

Not Sure/Dislike

Should Not Have/Do

Building Basics

Ammenities/Programs

Living Plant Wall

Solar Panels

Electric Vehicle Charging Station

Green Roof

Indoor/Outdoor shared spaces

Net-Zero Carbon Emmissions

Green infrastru

Shared resources and storage space

Individual Offices

Accessible by walking/biking

Event Space

Boardroom

Coworking Space

Located on Public Transit

Meeting & workshop space

Green Building Technology Demonstration Space

Mixed use building - modeling complete community?

Great daylighting with lots of window space

Reuse or repurpose of unused or underused space in Sudbury

Bike Shop

Rental Kitchen

Seed Library

nursery/seeds for food and native species plants

Urban/Community Garden

Easy Bike Parking

Zero Waste Store

Tool Sharing Library

Facilitate use of spaces - what's possible in building not offered by ReThink

Cafe

Green Radio Station

and other resource sharing - dishes/event supplies/etc

Public workshop to use the tools

audio / media room

Composting

material exchange/drop off location for circular economy swaps

green book library

Programs - e.g travel planning, skill buiding, compost/garadening, etc, bike courses...
