About Corporate Knights

Corporate Knights Inc. was created in 2002, by Toby A. Heaps, Paul Fenger and Peter DiIorio. It is a media-based organization which advances research related to the development of the sustainable economy, and is recognized as a Certified B Corporation. The magazine *Corporate Knights* is published quarterly, and is often a first pick for business leaders, and policy / changemakers!

This quarterly magazine focuses on climate change, how to invest responsibly, and new innovations and ideas that are enabling our transition to a low carbon economy.

The *Corporate Knights* magazine is highly acclaimed and is distributed in *The Globe and Mail*, *The Washington Post*, and *The Wall Street Journal*. It was also named the 2013 Magazine of the Year by the National Magazine Awards Foundation.

Corporate Knights is committed to undertaking research, and producing global sustainability rankings, reports, and financial ratings based upon corporate sustainability achievements.

The organization also spearheaded the [Council for Clean Capitalism](#), a group of leading Canadian companies committed to advancing economic and social-policy changes that increase Corporate Social Responsibility. The Corporate Knights stated vision is to “provide information empowering markets to foster a better world”.

Subscriptions can be hard-copy or digital, as preferred.
